

**City of Lebanon ~ Department of Public Works  
AGENDA  
BOARD OF CEMETERY TRUSTEES  
TUESDAY, JULY 9, 2019  
City Hall - West Meeting Room  
5:00pm**

---

**1. CALL TO ORDER:**

**2. APPROVAL OF MINUTES:**

**A. JUNE 11, 2019**

**Documents:**

[6-11-19 Draft Cemetery Minutes.pdf](#)

**B. SPECIAL MEETING JUNE 5, 2019**

**Documents:**

[6-5-19 Draft Special Meeting Cemetery Minutes.pdf](#)

**3. DISCUSSION ITEMS:**

**A. REVIEW 2019 CEMETERY MAINTENANCE PROJECTS**

a) Clarify Public works cemetery projects

b) BCT Projects

- Discuss Monument maintenance and quotes

- clarify section to address

- Notifications for repairs

**B. 2020 BUDGET YEAR**

a) Discuss possible projects for 2020

b) Address the ratio of funds from lot sales directed to  
perpetual funds.

**C. BUILDOUT, CAPACITY AND LOTS AVAILABLE FOR EACH CEMETERY**

**Documents:**

4. **OTHER BUSINESS:**  
Future Agenda Items:
5. **ADJOURNMENT.**
6. **OTHER BUSINESS**

**Please note times indicated for agenda items are estimates and are for guidance purposes only.**

**Agenda items are subject to presentation out of order due to removal of items or change in agenda sequence.**

**The public may appear in person or by agent or counsel and provide testimony stating the reasons why these requests should or should not be granted. Any person with a hearing disability, who wishes to attend this public meeting and needs the services of either a sign language interpreter or special equipment (FM system), please contact the Department of Public Works at 603-448-3112 at least 72 hours in advance so that the City can make any necessary arrangements. For more information about what is happening with these applications and in the City, please visit our website at [LebanonNH.gov](http://LebanonNH.gov).**

AGENDA  
BOARD OF CEMETERY TRUSTEES  
June 11, 2019

AGENDA ITEM 2  
APPROVAL OF MINUTES:

**JUNE 11, 2019**

DRAFT

**CITY OF LEBANON**  
**BOARD OF CEMETERY TRUSTEES**  
Wednesday, June 11, 2019  
City Hall – West Meeting Room  
5:00 p.m.

**MEMBERS PRESENT:** Susan Painter, David Muzzy, Fran Hanchett, Caitlyn Hauke

**MEMBERS ABSENT:** Antonio Palazzo

**STAFF PRESENT:** James Donison – Public Works Director

**GUESTS:** Pat McCarthy-Rickers Funeral Home

---

1  
2 **I. CALL TO ORDER**

3  
4 The meeting was called to order at 5:03 PM by Chair Susan Painter.

5  
6 **II. APPROVAL OF MINUTES: MAY 14, 2019**

7  
8 *David Muzzy MOVED to approve the May 14, 2019 Minutes as amended.*  
9 *Seconded by Fran Hanchett.*

10  
11 AMENDMENTS: Page 1 Line 27 Remove ‘School Street Cemetery’ and Add ‘the fence between the  
12 school and the cemetery’. Page 1 Line 29 Add ‘from Ms. Hanchett’ after ‘email’, Remove ‘on’ and Add  
13 ‘in cemetery’ before ‘maintenance’ and ‘would like to attend a Board meeting’ after ‘maintenance’. Page  
14 1 Line 29 Remove ‘has information’ and Add ‘to talk about her experience with cemetery maintenance  
15 and green burials’. Page 2 Line 22 Remove ‘because the cemeteries are running out of room, and there is  
16 a need to unify the cemeteries’ and Add ‘to address cemetery maintenance and beautification of the  
17 cemeteries’ after ‘was created’. Page 2 Line 23 Add ‘maintenance’ after ‘make’.

18  
19 *\*The MOTION was approved (4-0).*

20  
21 **III. DISCUSSION ITEMS**

22  
23 Chair Painter began the discussion regarding the funds that are available for cemetery maintenance in  
24 2019. The last Special Meeting addressed the funds related to cemetery revenue, the Public Works  
25 budget and the interest from the Perpetual Fund.

26  
27 Mr. Donison explained the Public Works budget. There is a budget of \$53,180 that includes \$43,500 in  
28 maintenance and repair services. When this budget was approved by the City Council, it was anticipated  
29 that \$25,000 would be spent on monumentation and head stone repairs and improvements. That is the  
30 intent for 2019, however it can be used for fence repairs and other maintenance issues. The previous year  
31 the entire budget was not spent. Mr. Donison reviewed the budget line items that are in the 2019 budget.

32  
33 The new budget for 2020 is due by August 9, 2019. Funds are not carried over to the following year  
34 unless it is encumbered by a contracted service. Mr. Donison provided some references for cemetery  
35 maintenance and he will request estimates to do head stone and monument repair. He suggested  
36 highlighting one cemetery or one section rather than spreading the work across a few cemeteries.

37

38 The \$26,000 in annual cemetery revenue will not be available to the Board to spend. The revenue is used  
39 to balance the budget. They discussed how a new account will be setup for repairs and maintenance, so  
40 the total amount does not land in the perpetual fund that is not spendable. It has been suggested to start a  
41 cemetery maintenance fund line item in the budget and the money from the sale of new perpetual funds  
42 will be put into that line item. Although the perpetual fund assets are touchable under some  
43 circumstances, currently there will not be a request to attach any of that existing perpetual fund.  
44 Essentially, the Board has to determine how to spend about \$25,000 for cemetery improvements, which  
45 will include monumentation repairs.

46  
47 Mr. Donison suggested requesting estimates from the cemetery maintenance resources he provided to  
48 determine what they charge for grave stone and monument repair. In the new ordinance, the City can  
49 make repairs if there is no family taking responsibility for the grave site. An announcement is placed in  
50 the local paper stating stones will be repaired and cleaned. It can be either listed as a lot, if all of the  
51 stones in an area will be addressed. If specific stones will be worked on, the specific graves should be  
52 listed. Enough time has to be provided to allow the public to respond to the notice. They discussed  
53 starting the due diligence of locating owners of the grave site. Mr. Donison said a public works person or  
54 cemetery sextant can help with the due diligence. Public Works will help with developing the legal notice  
55 and an RFP.

56

#### 57 **A. CEMETERY MAINTENANCE**

58

##### 59 **• Discuss Cemetery Walk**

60

61 The Board members reviewed their notes from their cemetery walks. They compared the list of repairs  
62 that were identified with the work that Public Works already has planned. They reviewed each cemetery  
63 individually and noted priorities for this year, specific to each cemetery.

64

65 Signage was discussed, and it is thought that working on new signs might be a good winter project for  
66 Public Works. They would like to replace all the signs for all the cemeteries, to be done in a consistent  
67 manner with a new style that is more ascetically pleasing.

68

69 Mr. Donison suggested that in the next 5 years the Board may need to request additional funds to spend  
70 on repaving the cemetery roads. Basic repairs, like hot patch and filling pot holes will be done, but at  
71 some point, the roads will need to be repaved.

72

73 Mr. Donison will work to get information about which cemeteries have room for expansion and identify  
74 the number of plots that are currently available.

75

76 They discussed the parking at each cemetery. Public works will try to add some parking spots at the Old  
77 Pine Tree Cemetery. In the future the Board may work on adding some level walking paths to access the  
78 graves at the Old Pine Tree Cemetery.

79

80 Public Works intends to do some roofing and other repairs on the building at School Street Cemetery.  
81 They will look for a proposal to improve the foundation on the building with an injectable material.  
82 There is also a need to repair fences at School Street. They discussed locking the gate between the school  
83 and the cemetery. The gate needs to be fixed so it does not swing and damage the stones.

84

85 Public Works is doing maintenance on the buildings at Valley/Sacred Heart. They will be working on  
86 improving the grass in that cemetery. There is substantial work needed on the buildings at the West  
87 Lebanon Cemetery.

120  
121

Column Burials were discussed. It is suggested that column burials should be placed in areas where graves could not normally be placed. The cost is about \$40,000 for 60 spaces, and that can be expanded in the future. The Board would like to determine the revenue that could be generated for these niche burials and then a request can be put in the budget for an upcoming year. State cemeteries are seeing about 65% of their burials going into column burials instead of ground burials. It is a significant trend. Scatter gardens are also a consideration of the Board.

They discussed offering a seminar on cleaning cemetery stones for interested individuals. There might also be an opportunity for volunteers to work on stones they do not own. The City will have to determine if that is permitted.

- **Determine Cemetery Maintenance Priorities For 2019**

School Street has the most visibility. The work will focus on the leaning stones near School Street and some of the stones that are laying down near the middle. Mr. Donison will get an estimate for the repairs in those areas.

**IV. OTHER BUSINESS**  
**FUTURE AGENDA ITEMS:**

- **Burial Options**

Ms. Hauke discussed the research she has been doing about the number of people who are interested in alternative burial options.

**V. ADJOURNMENT**

*Dave Muzzy MOVED for adjournment. Seconded by Fran Hanchett.*  
*\*The MOTION passed unanimously, (4-0).*

The meeting was adjourned at 6:50 PM.

*Respectfully Submitted,*  
*Linda Billings*  
*Recording Secretary*

AGENDA  
BOARD OF CEMETERY TRUSTEES  
June 11, 2019

AGENDA ITEM 2  
APPROVAL OF MINUTES:

**JUNE 5, 2019  
SPECIAL MEETING**

DRAFT

**CITY OF LEBANON  
BOARD OF CEMETERY TRUSTEES  
SPECIAL MEETING  
Wednesday, June 5, 2019  
City Hall – West Meeting Room  
3:30 p.m.**

**MEMBERS PRESENT:** Chair Susan Painter, David Muzzy, Fran Hanchet

**MEMBERS ABSENT:** Caitlyn Hauke, Antonio Palazzo

**STAFF PRESENT:** James Donison – Public Works Director; Bruce Temple – Public Works Assistant Director

**GUESTS:** Pat McCarthy-Rickers Funeral Home

---

1  
2 **I. CALL TO ORDER**  
3

4 The meeting was called to order at 3:33 p.m. by Chair Susan Painter.  
5

6 **II. DISCUSSION ITEMS**  
7

8 Mr. Muzzy and Ms. Hanchett attended a workshop in Plainfield, sponsored by the NH Old Graveyard  
9 Association. They cleaned an old Hanchett family stone with D2 cleaner. They learned how to manage  
10 stones and found that cleaning stones can be done by volunteers. The D2 product is suggested because it is  
11 effective and an environmentally safe product.  
12

13 **A. DISCUSSION: DEPARTMENT OF PUBLIC WORKS PLANNED MAINTENANCE**  
14 **FOR 2019**  
15

16 The Chair said the purpose of this meeting is to determine how the Board intends to use funds before the  
17 end of this year. The Board needs to determine how the funds can be used and how those goals align with  
18 the maintenance that Public Works has already planned. If there are projects for 2020, the budget process  
19 will begin in July and they hope to align the work for this year and the future.  
20

21 **B. DISCUSSION: FUNDS AVAILABLE FOR 2019**  
22

23 The Chair asked for guidance on what funds are discretionary and what the Board is able to work with for  
24 the Board's maintenance goals. Mr. Temple said Public Works intends to spend \$43,500 for cemetery  
25 repairs and maintenance. That includes trimming grass, shrubs and trees and any other services that are  
26 planned to do with outside contractors. Gravestone repairs would be a contracted service that comes out  
27 of the total budget. Water and landfill expenses come out of the budget.  
28

29 So far, the department has done some fence repair and sheds are going to be repaired including capital  
30 work such as roofs, painting and repairs. If there are other services that are needed, they are usually  
31 contracted with an outside contractor.  
32

33 Additionally, small tools and equipment are bought out of this fund. There is a line item for heat for one  
34 of the buildings. There is \$5,000 in the budget for such things as repairing foundations, grass seed, and  
35 top soil.

36 Public Works is looking for guidance on what work the Board would like to do this year. They have  
37 several initiatives and if there is budget, public works will manage all the repairs and contracts. They  
38 would like to set the priorities between the Board and Public Works.  
39

40 There is a process to roll the funds forward to the next year, to encumber funds into 2020, but a contract  
41 and purchase order have to be in place. Mr. Temple suggested doing a pilot to repair some grave stones,  
42 perhaps 10 stones. The work would be evaluated and then a decision made to move forward or look for  
43 another solution. There was \$10,000 in the budget for grave stone repair. It's thought that some stones  
44 can be straightened. This would be less costly than repairing broken stones. Some of the stone  
45 foundations need repair as well. They are looking for clarification on the ordinance and guidance from  
46 the City to do the repairs. It may require a notice in the paper. The School Street cemetery has a need for  
47 building repairs, foundations, deteriorated exteriors, and painting.  
48

49 It is believed that the budget will cover replacing the fence at two cemeteries. There are some trees that  
50 need to be taken down at the West Lebanon Cemetery. The tree cleanup would come out of the City  
51 budget.  
52

53 They discussed the need to determine the potential long-term projects that might be done in 2020 and  
54 over the next several years. The West Lebanon Cemetery could be expanded, and alternative burials  
55 might be addressed. The truck and trailer are in good shape so that is not a long-term need. The mowers  
56 are in reasonably good condition. There is a proposal to have water fed to the fountain at the Mount  
57 Calvary cemetery.  
58

### 59 C. DISCUSSION: MONUMENTATION MAINTENANCE

60  
61 Ms. Hanchett reminded the members that Steven Christy has pledged money to be used for repairing  
62 cemetery stones. This donation can be given to the City as a dedicated fund, with a resolution, and the  
63 money is dedicated for the repair of the stones. This would require a City Council motion to accept the  
64 fund and another motion at the time of spending the money. They reviewed the budget, anticipated  
65 revenue, and the interest from the perpetual fund.  
66

67 Public Works will provide a list of the projects they intend to do this year and the potential cost of the  
68 projects, to determine how much of the budget is discretionary.  
69

### 70 III. ADJOURNMENT

71  
72 ***Dave Muzzy MOVED for adjournment. Seconded by Fran Hanchett.***  
73 ***\*The MOTION passed unanimously, (3-0).***  
74

75 The meeting was adjourned at 4:29 PM.  
76

77 *Respectfully Submitted,*  
78 *Linda Billings*  
79 *Recording Secretary*
